

TSSA registration, CSA B51

Summary of the shop’s registration with the provincial safety authority under CSA B51. Copies of the registration are supplied on request.

Registration	Pressure vessel and pressure piping fabrication, quality program accepted
Code	CSA B51, with ASME Section VIII
Jurisdiction	Ontario
Registration no.	SAMPLE-B51-0000
Accepted	[YYYY-MM-DD]
Next review	[YYYY-MM-DD]

What this covers

- Fabrication of registered designs for installation in Ontario
- Repairs and alterations to registered pressure equipment
- Pressure piping assemblies built in the shop

What the customer provides

Design registration for each vessel, a Canadian Registration Number for every province where the vessel will be installed. We can prepare the package with the customer’s engineer, but the registration is issued per design.
